Dr. David Starr Jordan of Stanford

The steamer Kensi Maru, which

of the unfortunate men seized the

the women and children were car-

We believe that the Republican friends and neighbors of Mr. Duhring can safely vote for him without any danger of interfering with the election of a Republican United States Senator as 19 of the 20 hold-over Senators are Republicans and with this advantage in their favor there is practically no hope for the Democrats to control the next Legislature. Furthermore there is other work to be done in the Legislature besides electing a U. S. Senator and no one questions Mr. Duhring's ability to look out for the interests of this portion of the state. He is the only Democratic candidate from this portion of the county and as neighbors we should give him our support regardless of party.

J. K. Smith, Republican candidate for Sheriff, has canvassed the country thoroughly and made himself acquainted with many of the voters and has impressed them with the earnestness and reliable qualities of his nature. He is a man of principle, and is upright straightforward and courteous, and if elected he will creditably, honestly and faithfully fulfill the duties of the office of Sheriff and tax collector of Sonoma County.

As this will be our last issue before election day we would ask the voters of the county to stop and calmly consider the wisdom of retaining the present Superior Judges on the bench. Judges Burnett and Dougherty have had long and varied experience which aids materially in qualifying them for the office in which they wish to be retained. Their efforts in the past to dispense justice should secure for them a big majority.

In voting for Joe Ryan for Constable for this township one will vote for a man of whom no community need be ashamed. He is a young man of good habits and one that will fearlessly discharge his duties and will always be in a mental condition to properly carry out the requirements of the office.

We have every reason to believe that the City trustees at their next meeting will order the street lights turned on again as the taxpayers generally are desirous of having the light even at a cost demanded by the local light company.

Thanksgiving Proclamation.

President Roosevelt has issued the following Thanksgiving proclamation:

"According to the yearly custom of our people, it falls upon the President at this season to appoint a day of festival and thanksgiving to God.

"Over a century and a quarter has passed since this country took its place among the nations of the earth, and during that time we have had on the whole more to be thankful for than has fallen to the lot of any other people. Generation after generation has grown to manhood and passed away. Each has to bear its peculiar burdens; each to face its special crisis and each has known years of grim trial, when the country was menaced by malice, domestic or foreign, when the hand of the Lord, was heavy upon it in drouth or flood or pestilence, when in bodily distress and anguish of soul it paid the penny of folly and a forward heart. Nevertheless, decade by decade, we have struggled onward and upward, and we naturally enjoy well-being, and under the favor of the Most High we are striving earnestly to achieve moral and spiritual uplifting. The year that has just closed has been one of peace and of overflowing plenty. Rarely has any people enjoyed greater prosperity than we are now enjoying. For this we render heartfelt and solemn thanks to the Giver of Good; and we seek to praise him not by words only, but by deeds, by the way in which we do our duty to ourselves and to our fellow-men.

"Now, therefore, I, Theodore Roosevelt, President of the United States, do hereby designate as a day of general thanksgiving, Thursday, the 27th of the coming November, and do recommend that throughout the land the people cease from their ordinary occupations and in their several homes and places of worship render thanks unto Almighty God for the manifold blessings of the past year.

"In witness thereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done at the city of Washington, this 27th day of October, in the year of our Lord one thousand nine hundred and two, and of the independence of the United States the one hundred and twenty-seventh [Seal.] "THEODORE ROOSEVELT. By the President: "JOHN HAY, Secretary of State."

To the people of this immediate vicinity it seems hardly necessary to urge the election of C. H. Pond to the office of District Attorney. Everybody here is his friend. But to those who do not know him, it is fitting that they be informed of his claims and qualifications for the office. Mr. Pond is as well known as any man in the community. He has filled several local responsible offices satisfactorily, and it is no exaggeration to say that it will be very difficult to supply his place. His qualifications for the office of District Attorney are excellent and we predict that he will make one of the best officers this county ever had. He is a good lawyer, a forceful speaker, careful, industrious and scrupulously honest, as well as courageous and independent in the discharge of his duty—deserving the support of everybody. —Healdsburg Tribune.

When you vote for treasurer remember Glenn Murdock is a worthy young man deserving of your support.

The Mite Society of the Methodist church met at the home of Mrs. Akers in Shellville yesterday afternoon and enjoyed a most pleasant time. At this gathering Mr. McMackin, the donor of the parsonage, was present and the resolutions of appreciation as adopted by that church were read by Rev. Case for his benefit.

He Learned a Great Truth.
It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. Robbery at Windsor.

The depot of the California Northwestern railroad at Windsor was broken into during Sunday night and a small amount of money and some valuable papers were taken. Monday morning the officials of the road were notified and General Manager H. C. Whiting placed the matter in the hands of Sheriff Frank P. Grace. At 11:30 o'clock that official took a man named Graham into custody in Santa Rosa and charged him with the crime. The arrest was made and the suspect confessed the crime.

DOCTOR PIERCE'S

Cured After 15 Years of Suffering.

"Dr. Pierce's Favorite Prescription, 'Golden Medical Discovery,' and 'Pleasant Pellets,' cured me when doctors and other medicines failed," writes Mrs. Mary E. Lewis, of Tanner, Gilmer Co., W. Va. "For fifteen years I suffered untold misery. When I commenced taking Dr. Pierce's medicines, I had given up all hope of ever getting well. I could not lie down to sleep, and everything I ate would almost cramp me to death. Was very nervous and could hardly walk across the room. I only weighed ninety pounds when I commenced taking these medicines six years ago; I now weigh one hundred and forty pounds, and am having better health than ever before. My friends all say they can hardly believe that I am the same person; after being sick so long I have changed to be robust and rosy-checked. I have taken fifteen bottles of 'Prescription,' fifteen of the 'Discovery,' and fifteen of the 'Pellets.'"

FAVORITE PRESCRIPTION

Pronounced Incurable. Cured by "Favorite Prescription."

"I am just as well now as I was when I came into the world," writes Mrs. P. A. Graham, of 617 Race Street, New Orleans, La. "I will put it at that any way for I cannot remember seeing a well day since I became a woman (25 years ago), until six months ago when I began the use of Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' and 'Pleasant Pellets.' They are the best medicines on earth made for women and their complaints, no matter what the disease may be, even if called incurable by doctors. I was treated by several county physicians and also had some of the best city physicians prescribe for me. They all said my case was incurable, being a chronic disease of long standing. I had been sick for eight months ago, I commenced with Dr. R. V. Pierce's medicine and it brought me from ninety pounds to one hundred and thirty-five."

Makes Weak Women Strong

Cured Without an Operation.

"October 12th, 1893, I wrote you for the first time," says Mrs. Alice E. Shipley, of West Point, Hardin Co., Ky. "Was very ill, confined to my bed most of the time; had no appetite; pains in left ovary; could not rest only on one side, without suffering most excruciating pains. Was a perfect wreck physically. I underwent an examination by one of the most prominent physicians of Louisville, Ky. He pronounced my case tumor of the stomach, and advised me to return in two weeks and have an operation performed. My husband had such a dread of 'the knife' that he prevailed on me to try Dr. Pierce's medicines. I took seven bottles of 'Favorite Prescription,' and two vials of 'Pellets,' which cured me of constipation. Have not taken any medicine since the last of February. I now attend to all my household—cook, wash, iron and sew for a family of six. Many have been advised by me to try your treatment, and are greatly benefited."

And Sick Women Well.

"Favorite Prescription" and Maternity.

"I will endeavor to tell you of the many benefits I have derived from taking Dr. Pierce's Favorite Prescription," writes Mrs. B. E. Robertson, of Medicine Lodge, Barber Co., Kans. "In the fall of 1899, I was expecting to become a mother, and suffered terribly with pains in the back of head; in fact, I ached all over. Suffered with awful bearing-down pains; I was threatened with weeks with mishap. A lady friend told me to use Dr. Pierce's medicines. She had taken them and felt like a new woman. I began using the 'Favorite Prescription,' and took four bottles before my baby came and two afterwards. I suffered almost death with my other two children, but hardly realized that I was sick when this baby was born, and she weighed twelve and one-quarter pounds. She is now eleven months old, and has never known an hour's sickness; at present she weighs thirty-seven pounds. I owe it all to Dr. Pierce's Favorite Prescription."

DEMOCRATS HOLD ROUSING MEETING.

VOTERS WERE WELL PLEASED.

Sonoma Citizens Turn Out to Hear What the Various Candidates Have to Say.

Wednesday evening the Democratic county candidates held an enthusiastic meeting at Union Hall which was largely attended. The hall was none too large to accommodate the crowd which was anxious to hear the various candidates present their solicitations to our people.

The meeting was called to order by Hon. Robt. Howe who acted as chairman and introduced the various speakers. After short but pointed remarks he called on the Santa Rosa Club for instrumental music.

Frank Waymire, who is seeking the office of county recorder, was the first speaker presented and told of his desire to be elected to that office and stated should the people so favor him he would serve them faithfully. This speaker was followed by Frank A. Kruse nominee for county treasurer. This gentleman briefly stated by whom he had been employed the past fifteen years and was pleased to tell his hearers that he had discharged his duties faithfully and if elected to the office for which he aspires he would promise to serve the people of the county equally as well.

Chas. A. Pool who is seeking the office of county auditor was next introduced and told of his being a native of this county where he was educated and where he has taught school for the past twelve years and having served on the county board of education; the past year being its president.

Mr. Pool presented his desires and asked the voters support in a very pleasing manner. When this speaker concluded his remarks the Democratic quartette rendered one of its campaign songs after which O. K. Westcott candidate for surveyor stepped forward and briefly gave his personal history telling the people about having previously been elected to a similar position and having come to this county eight years ago where he has continuously resided.

Miss Minnie Coulter, county superintendent of schools who is a candidate for re-election, was next introduced and with a short but practical talk told of her work in that office and how it takes eight months, visiting two schools a day, to pay each school in the county an official visit. The speaker told of the splendid school advantages of California and the unusual learning capacity of the youth of this state. The present course of study was also endorsed by the speaker who closed her remarks by asking the voters to retain her in office for another term.

A. D. Laughlin, who is a candidate for the office of District Attorney, was presented and paid a glowing compliment to the ladies for their attendance and the beautiful manner in which they had decorated the stage; it being the only floral decorations the candidates had seen on their campaign tour. The speaker informed his hearers that should he be elected he would conduct the office as justly and economically as possible.

Here the speaking was again relieved by a banjo duet which was much appreciated. After this Fred L. Wright was presented to the audience and told how he had conducted the office of County Auditor and Recorder without having to change any figures after an official investigation.

Do Good--It Pays.

A Chicago man has observed that "good deeds are better than real estate deeds--some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped me out many a time." For sale at Shoults' drug store.

tion by an expert accountant and grand jury.

The chairman next presented our fellow townsman F. T. Duhring who is aspiring to the honorable position of State Senator. Upon stepping forward he was greeted with a good round applause which showed the esteem in which he is held by his neighbors and friends. The speaker told of his desire to see the enactment of laws which would compel the arbitration of strikes; the election of United States Senators by direct vote of the people. If elected it will be his ambition to secure an appropriation for the Feeble Minded Home which will be sufficient to properly care for the inmates who at present are sustained on one-half the amount allowed per capita for prisoners at San Quentin. He would also endeavor to secure some measure that would prevent the making of sugar wine and the adulteration of our wines by the wholesaler or others. After making these statements Mr. Duhring stated he had another matter which he wished to present to his hearers and there upon took a letter from his pocket which he stated had been sent to a Republican in the northern end of the county by a gentleman from this place where it was handed to him. The missive was of a disparaging nature and intended to aid in the defeat of this candidate but upon its being read we are confident will make votes for him as it does not meet the approval of the Republicans and has caused much indignation. On taking his seat the speaker was greeted by a deafening ovation which lasted several minutes.

Frank E. Dowd as candidate for re-election as county assessor followed Mr. Duhring to the stand and told how he first officially met the people of the township as deputy assessor and then later came before our people and asked their support for the office of Assessor. As to his being deserving of another term he left the people to judge but stated he wished another term. As Mr. Dowd has made a careful and efficient officer he is deserving of the support that will retain him in office.

Frank P. Grace as candidate for Sheriff followed Mr. Dowd as a speaker and was applauded in a hearty manner. He told how during his official term he had collected \$1,400,000 as taxes and licenses for the county and had systematically conducted the office. He asked the support that he should continue in office another term.

Emmet Seawell, candidate for Superior Judge, followed Mr. Grace with an eloquent oration in which he urged men to vote as they wished and not follow the party lines but vote for the best men no matter in which party they should be found and concluded by asking the voters for their support if they considered him the best man. The speaker was then followed by Clarence F. Lea who also is seeking a place on the Superior bench. After speaking of his age Mr. Lea gave a short sketch of his life which has already appeared in these columns. The speaker gave his idea of a judge which he pictured very prettily in the minds of his hearers.

Chas. O. Dunbar as candidate for the Assembly from this district presented his arguments why he should be elected. He stated he was in favor of a Free Public Market in San Francisco where the producer could ship his wares and have them sold without paying a commission to the middle man; Also that he thought labor should organize for self advancement and education; and further that many of the useless and expensive commissions in the state should be abolished. The speaking was concluded with a few brief remarks from Hon. W. F. Cowan of Santa Rosa. At the close the chairman proposed three cheers for the county and state tickets.

It is not possible for the proprietors to publish more than a very few of the numerous letters received in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy and telling of its remarkable cures. They come from people in every walk of life and from every state in the Union. The following from Mr. T. W. Greathouse of Prattburg, Ga., speaks for itself: "I would have been dead now but for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me of chronic diarrhoea after seven years of suffering. I can never say too much in praise of that remedy." For sale by R. G. Shoults.

"My Face"

Is my fortune," said the pretty maid of the ballad. It is a matter of history that beauty has been the only dower of many a woman whose name has become historic. But, on the other hand, how many a woman of large heart and noble mind has been compelled to say "My face is my misfortune." There can be few greater misfortunes that can befall a woman than to have her face marred by pimples or other eruptions. The cause of these blemishes is found in an impure condition of the blood. To make the skin clear the blood must be made pure.

Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eliminates the elements which corrupt it. It cures scrofula, eczema, pimply eruptions, brown spots, boils, erysipelas and other disfiguring diseases which are caused by the impure condition of the blood.

"For about one year and a half my face was very badly broken out," writes Miss Carrie Adams, of 116 West Main Street, Battle Creek, Mich. "I spent a great deal of money with doctors and for different kinds of medicine, but received no benefit. At last I read one of your advertisements in a paper, and obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured. I can well recommend Dr. Pierce's Golden Medical Discovery to any one similarly afflicted."

"Three times I have cured myself of erysipelas," writes Mrs. Lolita Mitchell, of 1824 Adeline Street, Oakland, Alameda Co., Calif. "by using your 'Golden Medical Discovery' after I had been under the doctor's care and found no relief."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

Dr. Pierce's Pleasant Pellets invigorate stomach, liver and bowels.
